

## Activa HT 25.0

- ▶ **Robust professional vacuum cleaner**
- ▶ **Reliable**
- ▶ **Low noise level**

Activa HT 25.0 is a reliable and powerful vacuum cleaner with a robust stainless steel container. The vacuum cleaner has an adjustable speed (500-1200W) which means that the noise level can be lowered considerably.

Supplied with foam filter that can be replaced with HEPA filters where the requirements for dust emissions are higher. Cable length of 15 meters and a large dust bag of 15 liters. Telescopic wand and floor nozzle included.
